PROSPECTIVE PARTICIPANT APPLICATION

Dear YLA Applicant:

I commend you for your interest in YLA's program "A Safe Place to Land." The following details should provide a clear and concise understanding of the role of a participant in A Safe Place to Land, expected training regimen, participation, culture, command relationship, and expected, attainable goals.

Due to the training tempo and an accelerated pace of learning, participants need to assimilate to a new environment and gain a sense of belonging to something greater than themselves. Participants may also be used as peer mentors for the aspiring participants. Participants are not trainers or instructors. Participants must possess a selfless and team first attitude.

Some participants may work at a different operational tempo than others due to age. **Cliques and sub-cultures are enemies of success and will not be tolerated.** The YLA operational tempo does not permit petty personality conflicts or poor attitudes. At no time are participants allowed to scream, curse or use derogatory remarks towards other participants or instructors/staff/volunteers. Your primary job and goal is to encourage and motivate yourself and others.
